

# **RIDEMAX IT 696 - Technical Specifications**

# **Description**

RIDEMAX IT 696 has a unique tread design and a wide footprint that provides excellent grip for road applications, even in winter conditions. The tire is best suitable for transport and municipality/maintenance applications thanks to its high-speed feature and strong casing. The tread design has been specifically developed for heavyduty services and ensures a low rolling resistance that provides fuel economy plus great stability.
